- Coordinate external affairs functions (e.g. Career Fair, general public relations).

SALARY AND RANK

Commensurate with qualifications. Competitive nationally with financial planning programs in Human Science.

EFFECTIVE DATE

Appointment will begin fall semester of 2020. Review of applications will begin immediately and position will remain open until filled.

DEPARTMENT

Our Personal Financial Planning department offers a number of programs registered with the Certified Financial Planner Board of Standards, Inc. that meet their education requirement. These programs include an undergraduate certificate and B.S. in Personal Financial Planning; a post-baccalaureate certificate and M.S. in Personal Financial Planning (thesis and non-thesis tracks); and a Ph.D. in Human Environmental Sciences with a concentration in Personal Financial Planning. We partner with the Great Plains Interactive Distance Education Alliance (GP-IDEA) to offer an on-line CFP Board-registered graduate certificate and M.S. in Personal Financial Planning. In addition, our resident program offers an undergraduate minor and a B.S. in Personal Financial Management Services.

The department Office for Financial Success provides financial education and peer financial coaching to the campus as well as experiential learning opportunities for our students.

Current members of the faculty include 5 tenured/tenure-track resident professors, 2 Teaching Assistant Professors, and 2 non-tenure track extension professionals.

Information about the department and the Office for Financial Success may be found at <http://pfp.missouri.edu>

COLLEGE

The College of Human Environmental Sciences is comprised of five departments: Personal Financial Planning, Architectural Studies, Human Nutrition and Foods, Human Development and Family Studies, Textiles and Apparel Management, and the School of Social Work

Information on the college is found at <http://hes.missouri.edu/>.

Current college undergraduate and graduate enrollment is approximately 1,500 and 457, respectively.

UNIVERSITY

The University of Missouri is the flagship, comprehensive campus of the University of Missouri system. The Columbia campus is a land-grant, state-supported, multi-purpose university of approximately 30,000 students offering a wide variety of academic, cultural, and athletic activities.

Columbia, MO is a regional center for health care and financial services surrounded by a large rural population. Recognized for its high quality of life in national media, Columbia is a community of approximately 120,000 with a wide-range of activities and opportunities
